### **MONTMORENCY COUNTY PROPOSAL**

#### **MONTMORENCY COUNTY PROPOSAL FOR GENERAL OPERATIONS MILLAGE**

This proposal will permit the County to levy up to .7091 mills for the purpose of providing funds for the general operations of Montmorency County. The voters previously approved 5.75 mills for the County's general operations, which millage has been reduced under the Headlee Amendment by .7091 mills. This millage will restore the millage previously rolled back by the Headlee Amendment.

Shall the limitation on the amount of ad valorem taxes which may be levied by the County of Montmorency against taxable property in the County be increased by up to .7091 mills (\$0.7091 per \$1,000 of taxable value) for a period of four (4) years, 2024 through 2027, inclusive for the purposes of providing funds for the general operations of Montmorency County and shall the County levy such millage for this purpose? If approved and levied in its entirety, this millage would raise an estimated \$440,237.00 for the County when first levied in 2024.

#### **MONTMORENCY COUNTY SHERIFF RENEWAL AND RESTORATION PROPOSAL**

If approved and levied in full, this millage will raise an estimated \$620,838 in the first calendar year based on taxable value.

#### **MILLAGE RENEWAL FOR ROAD MAINTENANCE AND REPAIR**

Shall the 15 mill tax limitation and levy on general ad valorem taxes within Montmorency County imposed under Section 6 of Article 9 of the Michigan Constitution be renewed at the constitutionally reduced rate of .9923 mills and the .0077 mills reduction be restored, which authorizes a levy up to 1.00000 mills (\$1.00000 per thousand (\$1,000.00) of SEV) upon taxable real and tangible personal property within Montmorency County for the period of five (5) years in the years 2024 through 2028 inclusive, for the maintenance and repair of roads under the jurisdiction of the Montmorency County Road Commission, within Montmorency County, thereby raising in the first year of levy the estimated revenue of \$620,838.00.
